labtestsonline.org.uk

Informing patients about laboratory tests

Lab Tests Online-UK is a FREE, non-commercial website developed and updated by voluntary NHS laboratory professionals which aims to increase patient understanding of laboratory tests empowering them to become active partners in their own healthcare. It provides:

- detailed descriptions of tests
- descriptions of illnesses, cross-referenced to relevant tests
- news on advances in laboratory testing
- links to other free internet services that can help answer questions about your health and treatment
- a mobile friendly design
